

Enterprise Europe Network is the largest network in Europe supporting SMEs competitiveness and innovation. Thanks to its 600 contact points (Chambers of Commerce, Regional Development Agencies, Technology Centres) in 49 countries across Europe and beyond, it helps SMEs develop their innovation potential and access new markets. Launched in 2008 by the European Commission, it represents an integrated services system: to help SMEs to meet new business and technological partners abroad; to boost innovation and technological transfer; to promote the participation in R&D European programmes.

Unioncamere Emilia-Romagna, Eurosportello – Chamber of commerce of Ravenna and ASTER belong to the network within **SIMPLER Consortium**. The other partners of the Consortium are CESTEC, Innovhub - Chamber of commerce of Milan and FAST from Lombardy.

Specific Action
2nd Generation Biomatch

The 2nd Generation Biomatch (2GBM) project intends to promote advanced and comprehensive commercial and technological co-operation formulas, including matchmaking and follow up, as a strategy to strengthen SME development and competitiveness within the biomass to bioenergy sectors.

These activities have been carrying out with the aim to foster investment in business, access to new markets, access to new research findings and contacts with research institutes, technology transfer between businesses cross border as well as product and process innovation.

Eurosportello – Unioncamere del Veneto, Unioncamere Piemonte and ENEA (Italian National Agency for New technologies, Energy and Sustainable economic development) are the Italian partners of 2GBM.

Brokerage event at
ECOMONDO International Trade Fair
of Material & Energy Recovery
and Sustainable Development

10th - 11th November 2011
Rimini - ITALY

Business Support on Your Doorstep

Unioncamere Emilia-Romagna, Eurosportello – Chamber of commerce of Ravenna and ASTER, in co-operation with Enterprise Europe Network, are going to organise the **third edition** of Ecobusiness cooperation event in the framework of ECOMONDO - International Trade Fair (Rimini, Italy). The brokerage event represents a good opportunity to boost international business contacts and partnership agreements.

ECOMONDO Exhibition
9th –12th November 2011

ECOMONDO is the Italian largest expo of green technologies, a special forum to discuss new models of economic growth driven by a focus on innovation, clean technologies and a new approach to urbanization and social contexts. It is a valuable source of information on ecologically sustainable materials and energy efficiency for recycling and waste recovery operators.

Key Figures ECOMONDO 2010

- 65,109 visitors
- 75,000 m² of expo space
- over 1.500 exhibiting companies
- 250 events and parallel initiatives
